

BELGIAN SIMCUP

2ND EDITION

19TH JAN 2019

SATURDAY

09:00 TO 18:00

(MAXIMUM 10 TEAMS)

DEADLINE FOR INSCRIPTIONS:

14TH OF JANUARY 2019 AT MIDNIGHT!

Introduction

The different ER teams will be competing in a fun and friendly manner. They will be randomly divided by groups of two, each working side by side, simultaneously on the latest manikins. Each team will be individually evaluated by a group of judges. You will be competing for points, not directly against the other team being evaluated at the same time. The different clinical scenarii were developed by a group of national and international experts qualified in the field of simulation.

The winning team, those achieving the highest score, will be able to be “Team Belgium” and only they will be able to represent our country in Prague at the EuroSimCup 2019 in October during the 2019 EUSEM Congress. They will individually also be awarded the reimbursement of their registration fee for the 2019 BeSEDiM congress.

Competition Rules

Each team must be composed of nurses and physicians (junior and senior doctors) 3-4 members, ideally 4.

All team members must be registered for the symposium and the SimCup before the deadline: midnight the 14th of January 2019.

Registration for the SimCup is free, but not the 2019 BeSEDiM Symposium.

Each team should have a name and its members should be easily recognizable (t-shirts, hats etc), so be creative!
